

GOLDXTRA®

Why TGX Series ?

Introducing the GOLDXTRA TGX Series of metal detectors—TGX Lite, TGX Pro, and TGX Pro Plus. Designed for both beginners and professional ,these detectors excel in finding relics, antiques, jewelry, and other treasures.

With reliable performance on any terrain, they are known for their stability and impressive depth detection.

These detectors are the perfect choice for serious gold prospectors and treasure hunting enthusiasts.

Why Choose GoldXtra Metal Detectors ?

Quick Ground Balance

User Friendly

Exceptional Depth

Extremely Stable

Made in Canada

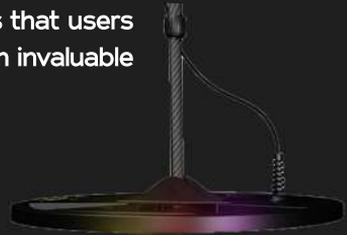

3 Years Warranty

Exclusive Gold Detection Mode

The TGX Pro and TGX Pro Plus detectors are equipped with a unique Gold Program feature. This specialized mode focuses solely on detecting gold, effectively eliminating signals from other metals like iron, aluminum, and copper. By filtering out these

unwanted metals, the Gold Program ensures that users can concentrate on finding gold, making it an invaluable tool for treasure hunters and prospectors.

This feature enhances accuracy and efficiency, allowing for a more streamlined and successful gold detection experience.

BRONZE

IRON

GOLD RINGS

GOLD RELICS

GOLD BANGLE

ALUMINIUM CAN

GOLD TREASURE CHEST

COPPER

Reach New Depths and uncover hidden treasures like never before with GoldXtra metal detectors. Our technology is designed to search deeper, letting you explore places others can't reach.

Goldxtra metal detectors offer exceptional stability and performance across all terrains. Featuring advanced ground balance, noise reduction, and durable coil technology, they ensure accurate detection even in challenging conditions. With specialized modes like the GOLD mode on the TGX Pro, Goldxtra detectors minimize interference, making them reliable tools for treasure hunting.

Package of Content

1- TGX PRO PLUS CONTROL UNIT

2- TGX PRO CONTROL UNIT

3- TGX LITE CONTROL UNIT

4- Armrest

5- Telescopic Rod

6- Plastic Screw

7 - TP-45 Coil

8- Inflatable Coil (with TGX PRO PLUS Only)

9 - Tablet (with TGX PRO PLUS Only)

10 - USB Charger

11- Air Pump (with TGX PRO PLUS Only)

12 - Headphone

13 - FC-127 Coil (127x127cm) TGX PRO
FC-100 Coil (100 X 100 cm) TGX LITE

14 - Bag

15- Inflatable Coil Bag (with TGX PRO PLUS Only)

16 - NeckStrap

Technical Specifications

APPLICATION	RELICS, TREASURE
FREQUENCY	339 Hz
SPEAKER	90dB output with 5W Amplifier
HEADPHONES	Wired Headphones
VISUAL DISPLAY	128x64 LCD
COILS	TP-45 , TX 127, FC-127
DETECT MODES	ALL METAL, DISC, GOLD
DISCRIMINATION	Ferrous and NoN - Ferrous
GOLD PROGRAM	95% Gold
AUDIO TONES	2 Tone Audio
GROUND BALANCE	One Button Automatic GB
SENSITIVITY ADJUSTMENT	01-99
TUNE ADJUSTMENT	01-20
VOLUME ADJUSTMENT	0-9
INTERFACE TYPE	LCD and Buttons
USB CONNECTIVITY	TYPE-C
BATTERY	Li-Ion 44.4 Wh 16 V
BATTERY LEVEL INDICATION	BARS
LOW BATTERY ACTION	ALERT
BATTERY USAGE TIME	24 Hours
CONTROL UNIT DIMENSION	153x106x57 mm
CONTROL UNIT WEIGHT	700g
WARRANTY	3 Years
